FFA Contract for Porcelain Doll Seed to Benefit Cancer Research

Pink Pumpkin Patch Foundation (the Foundation) is a 501(c)3 charity established to collect funds from Porcelain Doll Pink Pumpkin (Pink Pumpkin) sales and distribute those funds to cancer research programs that agree with the goals of the Foundation. The Foundation has once again partnered with Future Farmers of America (FFA) chapters across the country to collect funds.

In order for an FFA chapter to obtain Pink Pumpkin seed, the FFA chapter advisor or representative must sign this contract between Seedway, LLC (the Seed Dealer) and the FFA chapter. This contract states that the FFA chapter will grow and sell Pink Pumpkins during the 2014 season and send 50% of Pink Pumpkin sale proceeds to the Foundation at the address provided below. The balance of the sales may also be donated or can be used by the chapter to cover growing expenses and/or chapter fundraising. Please send your signed contract to the Seed Dealer at the following address: Seedway, LLC, c/o Dotty Sariano at 99 Industrial Road, Elizabethtown, PA 17022. To receive your seed, contact Dotty Sariano at 1.800.952.7333 or at dsariano@seedway.com.

The FFA also agrees to identify Pink Pumpkins at the point of sale with appropriate signs and to comply with other requirements and guidelines specified by the foundation, either directly or through information posted at www.pinkpumpkinpatch.org

Please send funds by December 1, 2014 to: **Pink Pumpkin Patch Foundation**
PO Box 670, Rocky Ford, CO 81067

Once the Seed Dealer and the FFA chapter have signed the contract, the FFA will be able to receive Pink Pumpkin seed from the Seed Dealer.

FFA Chapter Representative (Note: Please return this contract to Seedway)

The grower and Seedway, LLC agree to represent no other pink pumpkin variety as Porcelain Doll nor to substitute or sell any other pink pumpkin variety under the Pink Pumpkin Patch Foundation program unless authorized to do so by the Board of Directors of the Foundation. Doing so would violate the spirit and image of the program and misrepresent the variety to the public. The Board of Directors of Pink Pumpkin Patch Foundation reserves the right to create, modify, or terminate any rule or program of the Foundation and to act to protect such programs, in its sole discretion.
